Property Description

Nestled in its own small paradise this villa built in 1998 comprises of a large fitted kitchen, living room with wood burner, dining room, shower room and two double bedrooms on the ground floor. Outdoor stairs take you to the second independent part of the house with a shower room, and two double bedrooms, one with a small kitchenette. The property sits on 2000m² of luscious gardens with palm trees, fruit trees and a BBQ. The whole plot is fenced and gated. There is a private borehole as well as mains water and a soak away septic tank. The property has been empty for some years and needs some TLC but could be a good investment.
